Somebody

Dune

I want somebody to share Share the rest of my life Share my innermost thoughts Know my intimate details

Someone who'll stand by my side And give me support And in return He'll get my support

He will listen to me
When I want to speak
About the world we live in
And life in general

Though my views may be wrong They may even be perverted He will hear me out And won't easily be converted

To my way of thinking
In fact he'll often disagree
But at the and of it all
He will understand me

I want somebody who cares For me passionately With every thought And with every breath

Someone who'll help me see things In a different light All the things I detest I will almost like

I don't want to be tied
To anyone's string
I'm carefully trying to steer clear
Of those things

But when I'm asleep
I want somebody
Who will put their arms around me
And kiss me tenderly

Though things like this
Make me sick
In a case like this
I'll get away with it
