## **Careless Memories**

## **Duran Duran**

So soon, Just after you've gone My senses sharpen But it always takes So damned long Before I feel how much My eyes have darkened

Fear hangs a plane of gunsmoke Drifting in our room So easy to disturb With a thought With a whisper... With a careless memory

On the table Signs of love life scattered... And the walls break We go crashing within It's not as though--As though you really mattered But being close, How could I let you go Without some feeling Some precious sympathy following

Fear hangs a plane of gunsmoke Drifting in our room So easy to disturb With a thought With a whisper... With a careless memory

I walk out into the sun I try to find a new day But the whole place It just screams in my eyes Where are you now? Cuz I don't want to meet you I think I'd die--I think I'd laugh at you--I think I'd cry--What am I supposed to do, Follow you?

Outside the thoughts Come flooding back now... I just try to forget you... So easy to disturb With a thought... With a whisper... With a careless memory...
