

Femme Fatale

Duran Duran

1. Here she comes

You better watch your step
She's going to play you for a fool it's true
It's not hard to realize
Just look into her false colored eyes
She'll build you up just to let you down what a clown

R: Cause everybody knows she's a femme fatale

The things she does to please she's a femme fatale
She's just a little tease she's a femme fatale
See the way she walks hear the way she talks

2. Your written in her book

Number thirty-seven take a look
She's going to smile to make you frown what a clown
She came in from the street
Before you start you're already beat
She's going to play you for a fool yes it's true

R: Cause everybody knows...
