

# Friends of Mine

Duran Duran

Friends of mine  
They said they were friends of mine  
Said they were passing time  
More like a waste of time

Close the door  
I said close the door  
I've told you twice before  
What are you waiting for

Georgie Davies is coming out  
No more heroes we twist and shout  
Oh no not me I'm not too late  
And I know that I'm not taking anymore  
Rocky Picture has lost his gun  
Leave him out now he's having fun  
Oh no not me I'm not too late  
And I know that I'm not waiting any more (hey hey)

Silly lies, don't have to advertise  
When will you realize, I'm sick of you alibis

Running cold, the waters running cold  
I thinks it's time you were told  
I think you're growing old

Georgie Davies is coming out  
No more heroes we twist and shout  
Oh no not me I'm not too late  
And I know that I'm not waiting anymore  
Rocky Picture has lost his gun  
Leave him out now he's having fun  
Oh no not me I'm not too late  
And I know that I'm not taking any more (hey hey)

Friends of mine  
They said they were friends of mine  
They were just wasting time  
Out on the dotted line

Moneys gone, I knew it all along  
Why don't you say I'm wrong  
Why don't they drop the bomb

Georgie Davies is coming out  
No more heroes we twist and shout  
Oh no not me I'm not too late  
And I know that I'm not waiting anymore  
Rocky Picture has thrown away his gun  
Leave him out now he's having fun  
Oh no not me I'm not too late  
And I know that I'm not taking any more (hey hey)

What you doing friends of mine  
Holding back now friends of mine  
I've always heard you calling
