

# Hallucinating Elvis

Duran Duran

(I was hallucinating, I was hallucinating)

I was hallucinating Elvis  
Hawaii to Las Vegas  
Special treatment all the way  
Hallucinating Elvis  
Missing 18 hours  
Losing oxygen to the brain

Lying on the floor  
There's a limit how much more I can take  
Rhinestone inside my shoe  
Because I'm turning into you

I was hallucinating, I was hallucinating, I was hallucinating...Elvis

FBI tapping the King's phone  
74, he's trapped in his home  
Hidden cameras, 2-way mirror walls  
Walkie-talkie, kung-fu  
Then the president calls

I was hallucinating Elvis  
Hawaii to Las Vegas  
Special treatment all the way  
Hallucinating Elvis  
Missing 18 hours  
Losing oxygen to the brain

Whoever has to know  
Tune in to my show  
What you see ain't what you get  
I'm shooting movies and the TV set...

Elvis, Elvis, Elvis, Elvis

I was hallucinating Elvis  
Hawaii to Las Vegas  
Special treatment all the way  
Hallucinating Elvis  
Missing 18 hours  
Losing oxygen to the brain

I was hallucinating, I was hallucinating, I was hallucinating...Elvis  
Elvis, Elvis, Elvis, Elvis

Hallucinating, hallucinating, hallucinating
