

Playing With Uranium

Duran Duran

1. In for an evening of light entertainment
and who would believe you, could worry the neighbours?

R: Come on over to my place playing with uranium
if it blows up in your face, see you on the other side.
Come on over to my place playing with uranium.
Reinvent the human race. You just got the invitation.

2. We go undiscovered, 'Cause people are careless.
One way or another they'll never forget us.

R: Come on over to my place...
