

# Pressure Off

Duran Duran

Steppin' out, steppin' out, steppin' out, and jumpin' up and  
Steppin' out, steppin' out, steppin' out, and jumpin' up and  
Steppin' out, steppin' out, steppin' out, and jumpin' up and  
Pressure off, pressure off, pressure pressure pressure off

Past is another country  
The present will never last  
The future, it's still tomorrow  
Are we living too fast?

Searchlight the crowd, I'm fixed on your face  
I know it well, but it's a dream I can't place  
Something is happening to me  
Maybe it's happening to you, you, you, you

Everybody everywhere, feel it in the air  
Oh yeah, it's time to take the pressure off  
Everybody everywhere, step out into the future  
It's time to take the pressure off

Oh oh oh oh oh oh  
Oh oh oh oh  
It's up to you now  
It's time to take the pressure off  
Oh oh oh oh oh oh  
Oh oh oh oh  
It's up to you now  
It's time to take the pressure off

Steppin'  
Steppin'  
Steppin'  
It's time to take the pressure off

Swimming with the rat race  
Or running against the tide  
It's everybody's business when there's nowhere to hide

Searchlight the crowd, I'm fixed onto you  
There's a way out of this into the blue  
Something is happening to me  
Maybe it's happening to you, you, you, you

Everybody everywhere, feel it in the air  
Oh yeah (oh yeah), it's time to take the pressure off  
Everybody everywhere, step out into the future  
It's time to take the pressure off

Oh oh oh oh oh oh  
Oh oh oh oh  
It's up to you now  
It's time to take the pressure off  
Oh oh oh oh oh oh  
Oh oh oh oh  
It's up to you now  
It's time to take the pressure off

Steppin' out, steppin' out, steppin' out, and jumpin' up and  
Steppin' out, steppin' out, steppin' out, and jumpin' up and  
Steppin' out, steppin' out, steppin' out, and jumpin' up and  
Pressure off, pressure off, pressure pressure pressure off

I'm lost, don't wanna be found  
I'm up and not gonna be down  
Outside looking in on myself  
Just me, I couldn't be anyone else  
Is it bad when you're feeling this good?  
Are we all misunderstood?  
It's fine, going out of my mind  
Going out of my mind, going out of my mind

Everybody everywhere (yeah), feel it in the air (whoo!)  
Oh yeah (oh yeah), it's time to take the pressure off  
Everybody everywhere, step out into the future  
It's time to take the pressure off

Oh oh oh oh oh oh  
Oh oh oh oh  
It's up to you now  
It's time to take the pressure off  
Oh oh oh oh oh oh  
Oh oh oh oh  
It's up to you now  
Step out into the future

Oh oh oh oh oh oh  
Oh oh oh oh  
Jump up into the future  
Oh oh oh oh oh oh  
Oh oh oh oh  
Step out into the future  
Oh oh oh oh oh oh  
Oh oh oh oh  
Jump up into the future  
Oh oh oh oh oh oh  
Oh oh oh oh  
Step out into the future
