

# Safe (In the Heat of the Moment)

Duran Duran

People say you've been around  
How 'bout you and me get down?  
How 'bout you and me get down?  
Babe, I know you've been around  
Unmake your bed  
Don't think about what lies ahead  
Don't you want to be misled?  
Don't you want to be misled?

Fame seems a far-off day  
When enough was never enough  
Vain, how I played my hand  
One more reckless man in the rough

Strange, how we explain the story that we've lived through  
Change, my karma train, the person I can be for you is

Safe (Safe, in the heat of the moment), a stillness that comes to me when I'  
m close to you  
Safe (Safe, at the speed of atonement), a feeling that runs so deep that it  
scares me too

Dazed by my own escape  
From the single state I was used to  
Face my Catch-22  
Can I stay this way if I choose to?

Wrong, to be so contained, now I can't explain what is happening  
Strong, is the human chain, as it pulls me through, what I bring to you is

Safe (Safe, in the heat of the moment), a stillness that comes to me when I'  
m close to you  
Safe (Safe, at the speed of atonement), a feeling that runs so deep that it  
scares me too

Fame seems a far-off date  
When enough was never enough  
Vain, how I played my hand  
One more reckless man in the rough

Hook a finger, wink an eye  
Caresses running up your thigh  
Scratch my surface, dig in deep  
There's always secrets left to keep  
Safe not sound, who made these rules?  
Crowd control for enlightened fools  
So come on, boy, let's change the pace  
Come feel the chill of my embrace
