

Save A Prayer

Duran Duran

You saw me standing by the wall corner of a main street
And the lights are flashing on your window sill
All alone ain't much fun so you're looking for the thrill
And you know just what it takes and where to go.

Don't save a prayer for me now. Save it til the morning after
No don't say a prayer for me now. Save it til the morning after

Feel the breeze deep on the inside look down into the well
If you can you'll see the world in all his fire
Take a chance (like all dreamers can't find another way)
You don't have to dream it all, just live a day.

Don't say a prayer for me now. Save it til the morning after
No don't say a prayer for me now. Save it til the morning after
Save it til the morning after. Save it til the morning after

Pretty looking road I try to hold the rising floods that fill m
y skin
Don't ask me why I'll keep my promise I'll melt the ice
And you wanted to dance so I asked you to dance
But fear is in your soul
Some people call it a one night stand but we can call it paradi
se

Don't say a prayer for me now. Save it til the morning after
No don't say a prayer for me now. Save it til the morning after
Save it til the morning after
Save it til the morning after
Save it til the morning after
Save it til the morning after
Save a prayer til the morning after
