

The Reflex

Duran Duran

1. You've gone too far this time
But Im dancing on the valentine
I tell you somebodys fooling around
With my chances on the dangerline

Ill cross that bridge when I find it
Another day to make my stand, oh..
High time is no time for deciding
If I should find a helping hand, oh..

*: So why dont you use it
Try not to bruse it
Buy time dont lose it

So why dont you use it
Try not to bruse it
Buy time dont lose it

R: The reflex is an only child, hes waiting in the park
The reflex is in charge of finding treasure in the dark
And watching over lucky clover isnt that bizarre
Every little thing the reflex does leaves you answered with a question mark

2. Im on a ride and I want to get off
But they wont slow down the roundabout
I sold the renoir and the tv set
Dont want to be around when this gets out

*: So why dont...

R: The reflex is an only child...
