

Rock You Sweet

Dustin Lynch

Songwriters:

Just holdin' your hand
While the sea breeze blows
And the waves roll in
Swayin' those boats
Girl, it makes me think
I'd like to rock you sweet

Up ahead on the dock,
There's a little jam band
It's not a far walk
If you wanted to dance
In your bare feet
And I could rock you sweet

And if we get on a roll
(Whoa)
Start feelin' somethin' deep
(Whoa)
Baby, just let go
(Whoa)
And I'll rock you, rock you sweet

How'd it get so late
I don't wanna go home
There's a hammock over there
Big enough for both
You can drift off to sleep
While I rock you sweet

And if we get on a roll
(Whoa)
Start feelin' somethin' deep
(Whoa)
Baby, just let go
(Whoa)
And I'll rock you, rock you sweet

If we get on a roll
Start feelin' somethin' deep
Baby, just let go
And I'll rock you, rock you
Rock you, rock you

And if we get on a roll
(Whoa)
Start feelin' somethin' deep
(Whoa)
Baby, just let go
(Whoa)
And I'll rock you, rock you sweet

Rock you sweet
Rock you sweet
Rock you sweet
Rock you sweet
