

She Wants A Cowboy

Dustin Lynch

Fancy ties, pinstripe suits
Gold cuff links, Italian shoes
But she like boots and she wants a cowboy
New York City, the SoHo flat
The Wall Street clean cut hair slicked back
But she likes hats, she wants a cowboy

Riding with him in the wide open
Cheyenne wind, no fences can hold em
Ropin her dreams, Texas, and smoke in his voice
She wants a cowboy

Motorcycles, turbo Porches
Sailboats, Rolls Royces
But she likes horses, she wants a cowboy

Riding with him in the wide open
Cheyenne wind, no fences can hold em
Roping her dreams, Texas and smoke in his voice
She wants a cowboy

Riding with me in the wide open
Cheyenne wind, no fences can hold us
Roping her dreams, lucky for me I was her choice
She wants a cowboy
She wants a cowboy
