Dusty Springfield

A Brand New Me

This is my same old coat And my same old shoes I was the same old me With the same old blues Then you touched my life Just by holding my hand Now I look in the mirror And see a brand new girl

I got a brand new walk A brand new smile Since I met you baby I got a brand new style

Just because of you, boy Just because of you Just because of you, boy Just because of you

I got the same old friends They got the same old sins I tell the same old jokes Give the same old grins But now the jokes sound new And the laughter does too Everyday of my life As fresh as morning dew

Just because of you, boy Just because of you Just because of you, boy Just because of you Just because of you, boy Just because of you

I go to the same old places See the same old faces Look at the same old skies See them all with brand new eyes Ooh, ooh
