

# Another Night

Dusty Springfield

Find me a rose  
That never fades and dies  
And I'll show you a man  
Who never, ever cheats and lies

Find me a star and if you can prove  
The star you've found just never disappears  
I'll show you a man  
Who'll never, never ever, ever bring you tears

Another night, when I'm all alone  
Another night without him  
Another night, when I stay at home  
And worry so about him

Oh, I love him  
And my love makes me cry  
I need him  
If he doesn't come back, I know I'll surely die

Find me a cloud  
That never brings you rain  
And I'll show you a man  
Who never, ever brings you pain

Find me a bird and if you can prove  
The bird you've found has wings and still can't fly  
I'll show you a man  
Who'll never, never, ever, ever leave you high and dry

Another night, when I'm all alone  
Another night without him  
Another night, when I stay at home  
And worry so about him

Oh, I love him  
And my love makes me cry  
I need him  
If he doesn't come back, I'll die

And he'll never, never, never  
Never leave you high and dry

Another night, when I'm all alone  
Another night without him  
Another night, when I stay at home  
And worry so about him

Another night, another night, yeah  
I'm so alone, baby, another night  
I can't stand it, ah, I can't stand it
