## I Just Fall in Love Again

## **Dusty Springfield**

Dreaming, I must be dreaming Or am I really lying here with you? Baby, you take me in your arms And, though I'm wide awake I know my dream is coming true

And, oh, I just fall in love again Just one touch and then It happens everytime And there I go I just fall in love again And when I do I can't help myself I fall in love with you

Oh, magic, it must be magic The way I hold you And the night just seems to fly Oh, it's easy for you to take me to a star Heaven's in that moment when I look into your eyes

And, so, I just fall in love again Just one touch and then It happens everytime And there I go I just fall in love again And when I do I can't help myself I fall in love with you

There I go, I just fall in love again And when I do I can't help myself I fall in love with you I can't help myself I fall in love with you
