

I'll Be Faithful

Dusty Springfield

I would be your water
When your thirsty mouth was dry
I would be your sunshine
When clouds are in the sky

I would stand that close beside you
And be your only friend
And I have promised love forever
There will be no end

Ooh, hoo, I'll be faithful
Ooh, hoo, I'll be true too
Ooh, hoo, I'll be faithful, yes, I will now
Ooh, hoo, oh my, true to you

Now I would be your music
If you would like a song
I would sleep beside you
When the winter's cold and long

I would be the pole to guide you
Never would I bend
And I have promised love forever
There will be no end

Ooh, hoo, I'll be faithful, oh, yeah
Ooh, hoo, I'll be true too, mmm
Ooh, hoo, I'll be faithful, oh, yeah
Ooh, hoo, oh my, true to you, ooh, hoo

I have promised love forever
There will be no end

Ooh, hoo, I'll be faithful, oh, yeah
Ooh, hoo, I'll be true too
Ooh, hoo, I'll be faithful, yes I will
Ooh, hoo, oh my, true to you
