I would be your water
When your thirsty mouth was dry
I would be your sunshine
When clouds are in the sky

I would stand that close beside you And be your only friend And I have promised love forever There will be no end

Ooh, hoo, I'll be faithful
Ooh, hoo, I'll be true too
Ooh, hoo, I'll be faithful, yes, I will now
Ooh, hoo, oh my, true to you

Now I would be your music
If you would like a song
I would sleep beside you
When the winter's cold and long

I would be the pole to guide you Never would I bend And I have promised love forever There will be no end

Ooh, hoo, I'll be faithful, oh, yeah Ooh, hoo, I'll be true too, mmm Ooh, hoo, I'll be faithful, oh, yeah Ooh, hoo, oh my, true to you, ooh, hoo

I have promised love forever There will be no end

Ooh, hoo, I'll be faithful, oh, yeah Ooh, hoo, I'll be true too Ooh, hoo, I'll be faithful, yes I will Ooh, hoo, oh my, true to you
