## **Just One Smile**

## **Dusty Springfield**

Can't I cry a little bit? There's nobody to notice it Can't I cry if I want to? No-one cares

Why can't I pretend That you'll love me again? All I had has been taken from me Now I cry tears that never become me

Just one smile means forgiving Just one kiss, the hurt's all gone Just one smile to make my life worth living A little dream to build my world upon

How I wish I could say All the things I want to say If some way, you could see what's in my heart Oh, baby

I don't ask for much A look, a smile, a touch Try to forget Lord knows, I'm trying It's so hard to forget When your whole world you know is dying

Just one smile means forgiving Just one kiss, the hurt's all gone Just one smile to make my life worth living A little dream to build my world upon

Just one smile please forgiving Just one kiss, hurt's all gone Just one smile to make my life worth living A little dream to build my world upon Just one smile
