## No Sad Songs For Me

## **Dusty Springfield**

No sad songs for me Soon our love will be Just a memory It's all over

I walk around imagining The way you'll say goodbye And when you try to tell me I just hope that I won't cry

No sad songs for me Soon our love will be Just a memory It's all over

The glow has gone forever And our dreams have turned to dust I don't know how I can go on And yet I know I must

No sad songs for me Soon our love will be Just a memory It's all over

It breaks my heart to feel this way Although I try to smile To think I'll be alone again In just a little while

No sad songs for me Soon our love will be Just a memory It's all over It's all over It's all over
