

That's How Heartaches Are Made

Dusty Springfield

That's how heartaches are made
That's how heartaches are made

They told me I was such a fool to love you
They say that you're the kind who'd never be true
Pretty soon the day would come when I'd be the sorry one
But I said that I'm not afraid, well

That's how heartaches are made
That's how heartaches are made

I went ahead and my heart opened the door
I gave you so much love, no one could want more
You pretended to be mine
How could you be so unkind?
With all the other girls you played, well

That's how heartaches are made
That's how heartaches are made
That's how heartaches are made
That's how heartaches are made

I know you're not sincere and you'll never be
But still I want your kisses so desperately
I can never let you go, baby, you know I know
Every rule of love you disobeyed, well

That's how heartaches are made
That's how heartaches are made
That's how heartaches are made
