

# That's the Kind of Love I've Got for You

Dusty Springfield

From a mountain high to a valley low  
Stronger than the strongest and even more  
Running deep, as deep can go  
And can even turn your darkest clouds to falling snow

That's the kinda love I got for you, yeah  
That's the kinda love I got for you-hoo-oo  
I can't help myself  
I can't help myself  
Oh, I love ya  
Well, I just can't help myself

Like falling water on desert sand  
Making flowers grow on barren land, yeah  
Ever growin', growin' long  
Heaven only knows just how much it grows, ah

That's the kinda love I got for you-oo  
That's the kinda love I got for you-hoo-oo  
I can't help myself  
I can't help myself  
I love ya  
Baby, I just can't help myself, no

I'm playing with fire  
I've lost control, yeah  
Oh this lovely feeling  
Burns to my very soul  
Burning hot, as hot as I can go  
Can't seem to help myself  
Just got to let you know

That's the kinda love I got for you  
That's the kinda love I got for you-hoo-hoo  
That's the kinda love I got for you, baby  
That's the kinda love I got for, yeah  
Oh, come and get it, honey  
Can't help myself

This love of mine  
Oh, it's getting stronger  
Can't help myself  
Can't wait much longer, yeah  
I feel it for you, yeah  
Oh, that's the kinda love I got for you  
That's the kinda love I got for you, yeah

That's the kinda love I got for you-oo  
That's the kinda love I got for you-hoo  
That's the kinda love I got for you, baby  
That's the kinda love I got for you, yeah

That's the kinda love I got for you-hoo  
That's the kinda love I got for you-hoo-hoo  
That's the kinda love I got for you, yeah  
That's the kinda love I got for you, yeah-heah-heah

That's the kinda love I got for you, honey  
That's the kinda love I got for you-hoo  
That's the kinda love I got for you, sweet baby  
That's the kinda love I got for you-hoo
