

Tu Che Ne Sai

Dusty Springfield

Tu che ne sai
Delle volte che ho pianto per te
Un amore non pu?venir quando un amor ?cos?Non dirmi pi?di rifarmi una vita s
ei tu
Questa sera mi fai morir
Mi fai morir di dolor

What do you know
About the times I've cried over you?
There can't be love when it's a love like this
Stop telling me to start a new life - it's you
This evening you are killing me
Making me die of pain

A chi dar?le mie lacrime, yeah
A chi dar?le mie lacrime
Chi le vorr?le mie lacrime chi le vorr?

Who will I give my tears to?, yeah
Who will I give my tears to?
Who will want my tears, who will want them?

Non hai capito
Mi stai lasciando
E proprio quando, quando
Ho bisogno di te di te

You don't understand
You're leaving me
Just when, just when
I need you, you

Ma tu che ne sai
Delle volte che ho pianto per te
Ora va non ti voglio pi?Tu che ne sai del mio amor

But what do you know
About the times I've cried over you?
Now go, I don't want you anymore
What do you know about my love?

A chi dar?le mie lacrime, yeah
A chi dar?le mie lacrime
Chi le vorr?le mie lacrime chi le vorr?
Ma chi le vorr?Ma chi le vorr?

Who will I give my tears to?, yeah
Who will I give my tears to?
Who will want my tears, who will want them?
Who will want them?
Who will want them?

A chi dar?le mie lacrime, yeah
A chi dar?le mie lacrime, yeah
Chi le vorr?le mie lacrime chi le vorr?
Ma chi le vorr? yeah
Ma chi le vorr?Ma chi le vorr?Ma chi le vorr? yeah

Ma chi le vorr?
Ma chi le vorr? yeah
Ma chi le vorr? yeah

Who will I give my tears to?, yeah
Who will I give my tears to?, yeah
Who will want my tears, who will want them?
Who will want them?, yeah
Who will want them?
Who will want them?
Who will want them?, yeah
Who will want them?
Who will want them?, yeah
Who will want them?, yeah
