

# You've Got A Friend

Dusty Springfield

Mmm, when you're down and troubled  
And you need some love and care  
And nothing, oh nothing, is going right  
Just close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

You just call out my name  
And you know wherever I am  
I'll come running (oh yeah), to see you again, oh, oh  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend  
You've got a friend

If the sky up above you  
Grows dark and full of clouds  
And that old cold, north wind begins to blow, oh, oh, oh  
Just keep your head together  
And call my name out loud  
Soon, you'll hear me knocking at your door, ooh, hoo

You just call out my name  
And you know wherever I am  
I'll come run, run, run, run, running to see you again, oh, oh  
Winter, spring, summer or fall, yeah  
Said all you have to do is call  
And I'll be there

Oh, ain't it good to know that  
You've got a friend?  
When people can be so cold  
They'll hurt you, yes, and desert you  
And take your soul if you let them  
Oh, but don't you let them, ha

You just call out my name  
And you know wherever I am  
I'll come running, running, run, running to see you again, ooh, hoo  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend, oh, baby  
You've got a friend, oh, oh, baby  
You've got a friend, ooh, honey  
You got, you got a friend, ooh, hoo  
You've got a friend  
I said, you've got a friend
