## You've Really Got a Hold on Me

## **Dusty Springfield**

I don't like you but I love you Seems that I'm always thinking of you Oh, oh, you treat me badly I love you madly You really got a hold on me, yeah You really got a hold on me, baby, yeah

I don't want you but I need you I don't want to kiss you but I need to, oh, oh You do me wrong now My love is strong now You really got a hold on me, oh You really got a hold on me, baby, yeah I love you and all I want you to do is just Hold me, hold me, hold me

I want to leave you Don't want to stay here I don't want to spend Just one more day here Oh, oh, I want to split now I just cant quit now You really got a hold on me, yeah You got a hold on me Baby, yeah, yeah, yeah-eah-eah

I don't want to kiss you But I need to Oh, oh, you do me wrong now My love is strong now You really got a hold on me, oh You really got a hold on me Baby, yeah I love you and all I want you to do is just Hold me, hold me, hold me You really got a hold on me, oh You really got a hold on me, ah You really got a hold on me, oh You really got a hold on me You got me You got a hold on me Yes you have You got a hold on me, ah You really got a hold on me Hey, you got a hold on me
