I don't like you but I love you
Seems that I'm always thinking of you
Oh, oh, you treat me badly
I love you madly
You really got a hold on me, yeah
You really got a hold on me, baby, yeah

I don't want you but I need you
I don't want to kiss you but I need to, oh, oh
You do me wrong now
My love is strong now
You really got a hold on me, oh
You really got a hold on me, baby, yeah
I love you and all I want you to do is just
Hold me, hold me, hold me

I want to leave you
Don't want to stay here
I don't want to spend
Just one more day here
Oh, oh, I want to split now
I just cant quit now
You really got a hold on me, yeah
You got a hold on me
Baby, yeah, yeah, yeah-eah-eah

I don't want to kiss you But I need to Oh, oh, you do me wrong now My love is strong now You really got a hold on me, oh You really got a hold on me Baby, yeah I love you and all I want you to do is just Hold me, hold me, hold me You really got a hold on me, oh You really got a hold on me, ah You really got a hold on me, oh You really got a hold on me You got me You got a hold on me Yes you have You got a hold on me, ah You really got a hold on me Hey, you got a hold on me
