

One Time Only

Dwarves

I'll give you once
Once and one time only
To biblically know me
In the back of my go-kart
Yeah I'll give you once
Once to know completely
What others so discreetly
Are doing in the dark
Because it's so easy
To end it now before we even start
I'll give you once
Once and one time only
Then I'll leave you lonely
Then I'll break your heart
