

# Unrepentant

Dwarves

Yeah, I'm unrepentant  
And i don't regret it  
There isn't any other way I'm unrepentant  
The sun that never sets  
Emitting ultra violet rage  
It's time for blood and glory too  
Testyfyng night  
The evil that men do I'm unrependant  
And i'm glad i said  
There isn't any thing to save  
I am just a poor boy  
My stories seldom told  
Except by me  
Now shut your fukkin' mouth  
If i might be so bold  
They laid me in a manger  
Fed me wine in bread  
I killed the nazarene and he lies  
Bleeding broken dead I'm UNREPENTANT!
