

Blow Your Mind

Dwele

Ooh, ooh Yeah ooh
Somethin' gotta go, lemme blow your mind baby wha',
Ooh Hmm, whats going on lady,
Ooh Don't wanna rush you, don't wanna rush you

I wanna do lil' something special for you if you don't
Mind, something real lovely,
(Lovely) You can move to,
Let me know if I go to fast,
Slow me down, I'm a patient man,
Ooh, hope you can withstand,
That's only if you want to,
Only if you're ready, don't apologize,
No take your time, I wouldn't mind,
Don't wanna rush you too fast,
Let me blow your mind, (mind) lady said I don't
Wanna rush you too fast, let me blow your mind (mind)
Lady, said we can take this nice and slow!
