Continuation

Baby please, Stop hollerin' and let this pimp ads play I didn't want nothing, I just wanted to know her name I didn't know she was to be my lover Flapjacks attract every man and I am but just a man Please, baby I feel we can lust for a weekend love But don't doubt from now on its with you that I will lay it dow n I know it's silly but I, I think I love you If you just keep on moving it, baby just keep keep on...
