

## Kick Out Of You

Dwele

Trust me baby I confide in your love  
Time away makes me come back to you can't deny  
Anyway that we coincide is love  
All we know is to love with our souls  
While dripping love's liquor  
I get a kick...out of you  
Trust me baby I confide.I confide now yea  
Something tells me you and I  
Should never be alone  
Soon baby you and I will be  
Too mellow, I'm telling you, you bring out of me  
A dripping, romantic, singer I...  
I get a kick...out of you  
As long as the sun will shine  
As far as the sky will fly I...  
I get a kick...out of you
