

# What's Not To Love

Dwele

You're more than...  
A pretty face  
Girl with ah...  
Curvy shape...  
You're full of substance  
You're not shallow at all...  
For I wish we could sit  
And talk...  
Yeah...  
Just about anything  
From A to Z  
It's crazy how you relate to me...  
Aww...  
Girl  
With you I can always be my self  
Is something that I never felt...

What's not to love about you...  
Everyday I find more reasons too...  
Girl is you're inner beauty...  
That's always shining through  
What's not to love about u...

I love how you...  
Don't walk around  
With an all about me  
Attitude...  
Without going hard...  
Chicks ain't seen you at all  
It's what I'm thinking...  
If you want it you can floss it  
Floss it...  
And you're not afraid to admit  
When you're wrong...  
Better yet...  
What about our love making  
Marathons...  
Ohh  
Girl is making me...  
Wanna head straight  
To tiffany's  
It's like something shining on...  
It feel good...

What's not to love about you...  
Everyday I find more reasons too...  
Girl is you're inner beauty...  
That's always shining through  
What's not to love about u...

I'd be a fool...  
To ever let you...  
Get away...  
Cause there ain't no one  
Who could take  
You're place  
And you complete me...

So many different ways...  
So today I sing you praise...  
Baby...

What's not to love about you...

What's not to love...

Everyday I find more reasons too...

Reasons to yeah

Girl is you're inner beauty...  
That's always shining through  
What's not to love about u...

La la la bout you...

Baby

What's not to love about you...

What's not to love...

Everyday I find more reasons too  
Girl is you're inner beauty...  
That's always shining through  
What's not to love about u...  
Love about you

What's not to love...
