

3 Pears

Dwight Yoakam

3 pears of glasses
3 pears of shades
3 pears of other things, all there in space
3 pears of shoe-less feet,
Dream mindless thoughts
3 pears of wishes for all that you want

That means where you are is where you at
When your head is cold, to Wut on a hat
If you can't recall, just remember that
To wear 3 pears of shades, 3 pears of glasses
3 pears of shaded
3 pears of other things, all there in space
All they're in spades
3 pairs of shoe-less feet,
Dream mindless thoughts
3 pairs of wishes for all that you want

All I want for you is happiness
All I have to give is nothing less than more than one or two more
3 pears of glasses
3 pears of shades
3 pears of other things, all there in space
3 pairs of shoe-less feet,
Dream mindless thoughts
3 pairs of wishes for all that you want
3 pairs of wishes for all that you want
