

A Heart Like Mine

Dwight Yoakam

I saw you coming
You saw me and took off running
With shells in your eye
What such a sweet disguise

I wonder why you never try
To understand a heart like mine

Oh, I just wasted time
'Cause a love so hard to find
So is what you see
You're in love, belong to me

Oh, I, I wonder why you never try
To understand a heart like mine

Oh, I, I wonder why you never try
To understand a heart like mine
Oh, I, I wonder why you never try
To understand a heart like mine

A heart like mine, a heart like mine
A heart like mine, a heart like mine
A heart like mine

A heart like mine
A heart like mine, a heart like mine
A heart like mine
A heart like
A heart, a heart, a heart like
A heart like mine, a heart like mine
