

Don't Be Sad

Dwight Yoakam

Don't be sad 'cause you got what you wanted
You should be glad to know that I'm finally gone
Don't feel bad or be disappointed
'Cause you got what you wanted all along

Wasn't it you who said
A blinded fool could see the clear plain truth
About how deeply cruel it is
To live a lie here with each other
And mourn a life that won't recover
As I recall those were the very words I heard you use

So don't be sad 'cause you got what you wanted
You should be glad to know that I'm finally gone
Don't feel bad or be disappointed
'Cause you got what you wanted all along

Wasn't it me who asked
So stupidly if there were things
That I could maybe do
Or try to somehow hold

What feel apart together
But you just coldly told me never
To even entertain the thought
That our love would survive

So don't be sad 'cause you got what you wanted
You should be glad to know that I'm finally gone
Don't feel bad or be disappointed
'Cause you got what you wanted all along
