

## [How Long Was It?]

Dwight Yoakam

Don't look inside  
No, don't look there  
'Cause you might find  
Yourself somewhere

Walkin' 'round  
Lost and alone  
Without one clue  
That it's a long way home

Years and years  
Is a lot of time  
To drag your heart across  
Every rock you find  
Hate is deep  
And its pull is strong  
But the passion's short  
Then it's a long way home

I can't take  
One single step for you  
But I might just help  
To find some small pathway through

Don't look back  
'Cause you might see  
Just how far  
All that used to be

Just let your mind  
Think on what's gone  
And then you'll know  
That it's a long way home

Yeah, you'll know  
That it's a long way home

You'll find out  
That it's a long way home

There ain't no doubt  
That it's a long way home
