

## Listen

Dwight Yoakam

Listen in the places you hide  
Listen through the stillness inside  
Yeah, yeah, yeah listen  
To the words that are near  
And try to hear

Listen take one less step away  
Please listen love may persuade you to stay  
Yeah, yeah, yeah baby listen  
Past the sound of your fear  
And try to hear

Two hearts that doubted now beg to believe  
Aching in silence each whispers a plea  
Secrets of longing kept buried away  
Sadly their calling grows weaker each day, yeah

Please listen for hope that's been left behind  
Listen to the small traces you find  
Yeah, yeah, baby please listen  
Before this chance disappears  
And try to hear

Listen in the places you hide  
Yeah, listen through the stillness inside  
Please, please, baby listen  
For the love that is near  
And try to hear

Listen take one less step away  
Yeah, yeah, yeah, listen  
Don't run so far off today  
Please, please, baby listen  
Push aside all your fears  
And try to hear

Yeah, listen  
Listen, please, baby listen  
Yeah, yeah, yeah, baby listen  
Past the sound of all fears  
And try to hear
