

Little Sister

Dwight Yoakam

Little sister don't you, little sister don't you
Little sister don't you kiss me once or twice
Tell me that it's nice and then you run
Yeah, yeah, little sister don't do what your big sister done

You know I dated your big sister'
Oh, I took her to a show
I went for some candy
Along came jim dandy
And they slipped right out the door

Little sister don't you, little sister don't you
Little sister don't you kiss me once or twice
Tell me that it's nice and then you run
Yeah, little sister don't do what your big sister done

I used to pull down on your pigtaails
Hey girl, and pinch your turned up nose
Oh, but baby you been growin'
And lately it's been showin'
From your head down to your toes

Little sister don't you, little sister don't you
Little sister don't you kiss me once or twice
Tell me that it's nice and then you run
Yeah, little sister don't do what your big sister done

Every time I see your sister
Lord, she's with somebody new
Aw, she's mean and she's evil
Like a little ol' boll weevil
Guess I'll try my luck with you

Little sister don't you, little sister don't you
Little sister don't you kiss me once or twice
Tell me that it's nice and then you run
Hey, little sister don't you do what your big sister done
Well, little sister don't you do what your big sister done
Aw, little sister don't you do what your big sister done
