## My Heart Skips a Beat

## **Dwight Yoakam**

Oh, my heart skips a beat as we walk down the street I feel a trembling in my knees
And just to know you're mine until the end of time
Makes my heart skip a beat

Well, I did a double take the day I met you My heart turned a flip as I stood next to you And I knew right there I never could forget you For you are my every dream come true

And my heart skips a beat as we walk down the street I feel a trembling in my knees
And just to know you're mine until the end of time
Makes my heart skip a beat

Well, you came into my life without a warning You turned my cloudy skies from gray to blue You're my sunshine that comes up every morning Oh yes, you are my every dream come true

And my heart skips a beat as we walk down the street I feel a trembling in my knees
And just to know you're mine until the end of time
Makes my heart skip a beat
