

## Only You (Can Break My Heart)

Dwight Yoakam

Only you can make my dreams come true  
Only you can turn my skies blue  
Love like ours should not be far apart  
Only you can break my heart

Only you can end these sleepless nights  
Only you can make things turn out right  
You and you alone can keep us far apart  
Only you can break my heart  
Only you can break my heart

Only you can make my dreams come true  
Only you can turn my skies blue  
Love like ours should not be far apart  
Only you can break my heart  
Only you can break my heart

Only you  
Only you  
Only you
