

## The Heartaches Are Free

Dwight Yoakam

Buddy you might think that I've lost my mind  
But mister I'd pay twice to do it one more time  
It cost a thousand tears and wore out my knees  
But buddy that's okay the heartaches are free

You probably thought I'd used up every brain I had  
But mister once you've tried you'll swear that it ain't bad  
It cost a thousand tears and wear out your knees  
But buddy that's okay the heartaches are free

Hey man if she takes a notion to sell you a hit of potion waste  
no time  
And boss if you need a reason to pay for all her teasin' well j  
ust take mine  
It cost a thousand tears and wore out my knees  
But buddy that's okay the heartaches are free  
[ fiddle + steel ]  
Hey man if she takes a notion...  
Yeah I can guarantee the heartaches are free
