

## Things Change

Dwight Yoakam

She said, baby things change  
I said, but I feel the same  
She said, well let me explain  
Baby, how things can change

I said, but that doesn't show  
How a love that could grow  
Would become so estranged  
she said, well baby, things change

She said, na, na, na, na, na, now, now, baby, don't try  
To figure this out, or ask questions 'bout why  
Forever's a promise no love can survive  
And trust with hearts just don't apply  
She said, 'cause baby, things change

Na, na, na, na, na, now, now, so baby, I quite tryin'  
To figure things out about all your heart's lyin'  
Forever's a promise we couldn't survive  
Hey, I may be slow, but I ain't blind

She said, I still love you so  
I said, I don't care to know  
She said, you once cried my name  
I said, well baby, things change  
And let's don't go placing no blame  
'Cause you know things can change

Na, na, na, na, na, na  
Na, na, na, na, na, na  
She said, you once cried my name  
I said, well baby, things change
