

Things Change

Dwight Yoakam

She said, baby things change
I said, but I feel the same
She said, well let me explain
Baby, how things can change

I said, but that doesn't show
How a love that could grow
Would become so estranged
she said, well baby, things change

She said, na, na, na, na, na, now, now, baby, don't try
To figure this out, or ask questions 'bout why
Forever's a promise no love can survive
And trust with hearts just don't apply
She said, 'cause baby, things change

Na, na, na, na, na, now, now, so baby, I quite tryin'
To figure things out about all your heart's lyin'
Forever's a promise we couldn't survive
Hey, I may be slow, but I ain't blind

She said, I still love you so
I said, I don't care to know
She said, you once cried my name
I said, well baby, things change
And let's don't go placing no blame
'Cause you know things can change

Na, na, na, na, na, na
Na, na, na, na, na, na
She said, you once cried my name
I said, well baby, things change
