

# Ancient Rivalry

## Dying Fetus

The distortions of history, barriers from original truth  
Man-made distance, accounts of time fog  
TEMPORAL OBSCURITY, MISINFORMATION

Fear and ignorance built a religion, exploit seasons of discontent  
Relentless war, revenge set in motion  
RADICAL PROPAGANDA, ENEMIES OF PROGRESS

Turn back the clock, 8th century  
BACKWARD THINKING MORONS, PERPETUAL BATTLE

Fear of losing control of morality  
FOSTERING INTOLERANCE, BREEDING PERSECUTION  
Too many problems, to get involved  
FUCK THE MIDDLE EAST, NOTHING'S EVER GOING TO CHANGE

Impatience with the changing times  
LAST RESORT OF VIOLENCE, THE FIRST AND ONLY METHOD

Killing for religion, horror and shameful tyranny  
Inquisitions and war crusades  
A SHORT-LIVED EMBARRASSMENT OF COLD DARK AGES

Ignorance of the dusty regions, still have not found enlightenment  
Occupied by belligerent jihad  
FOSTERING A WAY OF LIFE, NO PEACEFUL COEXISTENCE

Impetus of suicide, LIVING FOR A SUDDEN DEATH  
Embellished reward, IMAGINARY THREAT  
Irrational destruction, PREJUDICE SOLIDIFIED  
Earthly hope abandoned, PRESUMED FOR GOD'S WILL  
Emptiness consumes you, VACANT AND FRUSTRATED  
Wondering why your world, OF SHIT NEVER CHANGES  
Young, dumb, expendable, BRAINWASHED TO FOLLOW ORDERS  
Seeing nothing, knowing nothing, fuck it all

ECHOING MANTRA THERE IS NO ESCAPE, CHOOSING A LESSER BITTERNESS  
NEGATIVE OUTLOOK OF BLINDED EYES, YOU MADE YOUR WORLD A PRISON  
UNWITTING SOLDIERS FILLED WITH LIES, LUST FROM HEAVEN, ESCAPE FROM HELL  
UNCIVILIZED INTOLERANCE, EXTREMIST VIEWS ARE DOOMED TO FAIL

Violence, secretarian conflict, obstinates fallacies, unredeemed by time  
Fighting a war, that cannot be won, repression of the many by the few  
Marriidom, is an illusion, mass produced sacrifice, stripped of all nobility  
Stubborn pride, in a losing situation, you are already, fucked for life

Throwing lives away, achieving nothing, driving up the death toll, glorified  
mass murder  
Tiresome waste, for thousands of years, useless, impotent, stagnant

When we come to fuck you up, there is no persecution  
Conquest and self-preservation, MIGHT IS RIGHT FOR SLAUGHTER

Unevolve society, fatal flaw eternal  
Humankind does not obey, THE STENCH OF OPPRESSION
