Atrocious By Nature

Pursuit of a conflict Respecting no one The stance of the vicious

Malicious bout, condemnation, brutal beat down Hostility, ferocious war, overwhelming

Trouncing every foe obtainable Indulging in mindless belligerence Ordinary pain less satisfying Searching for significant anguish Sadistic concept edging towards reality Man made boundaries pleasing the public Menacing necessity assaulting rationale Envisioning agony intention is clear

Impulsive deed, aspiration, concrete promise Eradicate, agitation, remove constraint Encroach, lucidity, permeation

Motivation swelling to the surface right now Stalking feeble prey oblivious of harm Eagerness to the pretense of an onslaught Without hesitation to inflict anguish

Passion to hunt down and dissect No grief involved Sorrow of others my peak Fulfilled purpose Assailing the victim delight Repulsive pleasure Pursuing culmination of bliss Premium brand of rapture

Cruelty not even a thought Nasty nature is habitual Ongoing incentive to implement climax Crushing any thoughts of hope Beyond stalking the painful interval Teasing concluded invasion commenced Chronic motive of smashing into ecstasy Carrying out the obstinate fantasy

Basking in the triumph Execution expertise Cessation at leisure No urgency abound Evasion halting the trance
