

# Obsolete Deterrence

## Dying Fetus

All tyrants are created equal, defined by paranoia  
Power through, ruthless action, no one dares defy

Diametric opposition, rules of engagement  
Central fallacy of global conflict  
Force to annihilate, reserved for cold war  
Trapped within race arms inertia

RESURRECT A PARADOX, BALANCE OF TERROR  
TIME ALREADY WASTED

Foolish tyrant pride, belligerent hard line  
Militant delusion, struggle for domination  
REPUGNANT PROVOCATION, THREATS OF MASS DESTRUCTION

Narcissistic rage, terrorist ambition  
Imminent delivery, rampant devastation  
HOLY MURDER LIES, HATRED PASSED THROUGH GENERATION

ESCALATION UNRESTRAINED, DESOLATE FUTURE WORLD

Mutual, assured destruction  
Dangerous inexperience  
Weariness, acceptance of the absurd  
Catastrophe, escaped by chance

Disarmament, unable to achieve  
The peaceful cease fire will never last  
Dirty weapon, discarded over time  
Proliferated to, forgotten nation  
Wielding power, beyond their comprehension  
Proof of the past, bitterness unheeded  
Vulgar display, late acquisition  
Initiate, your self-destruction

Willingness to die, child's destructive impulse  
World attention gained, nothing will remain  
BASIC CONTRADICTION, OF A USELESS WEAPON

Attack without survival, no fear of reprisal  
Weapons long abandoned, obsolete deterrence  
TERROR INNUTILES, PRACTICAL RELIANCE

THE PENDULUM OF HISTORIES, FOREVER OSCILLATES  
SIDE EFFECTS REVERBERATE, ON ALL THE EARTH  
RELIGIOUS HATE CRIMES, OR POWER MAD TAUNTS  
FUNDAMENTAL INFAMY, THAT NO GOD EVEN CARES FOR  
HABITUAL VIOLENCE, SOCIETAL PARALYSIS  
POWER RUNS OUT, REJECTED BY THE WORLD

Forces of regression, uncivil dogmatic rage  
Forsaken by all, insane and immortal  
Alone in the endless sand, of the accursed earth  
Primitive tribal, retaliation, until the end of time
