

Strange Girl

Dynamite Boy

Strange strange girl
What's in your head my love,
My love you look at him
What do you see it's gone
It's gone, mixed up feelings
Fly round and round inside my head

My strange strange girl

Don't know what to do
When I'm around you
Don't know what to say
When you act that way
Don't know how to feel
It's time to just get real

(breakdown) Quit livin' in yesterday
Yesterday's too far away
You know I love you
And all your selfish ways
Too many things to do
Too much is in the way
That's why everything we had
Is thrown away
