

Zap
You're it.
My life is full of shit
and I don't know what to do.
Stay
Away
You'll never ever really say
the words that I love you.

Zap
That's it.
I feel the opposite of
what you feel is true.
Live my life
a blind suburbanite
adjustment overdue
I stand in the spotlight
waving a flag of secrecy
exposing your hypocrisy
and I know that I don't ever want to go
everything's all right
and I know that I don't ever wanna go
everything's all right

Zap
I quit
I've shown a lot of grit
with nothing left to prove.
Left alone
the seed of fear is shown
for what they said is true.

Stand in the spotlight
waving a flag of secrecy
exposing your hypocrisy
and I know that I don't ever want to go
everything is all right
and I know I don't ever wanna go
everything is all right
everything is all right
everything is all right
