

Zap  
You're it.  
My life is full of shit  
and I don't know what to do.  
Stay  
Away  
You'll never ever really say  
the words that I love you.

Zap  
That's it.  
I feel the opposite of  
what you feel is true.  
Live my life  
a blind suburbanite  
adjustment overdue  
I stand in the spotlight  
waving a flag of secrecy  
exposing your hypocrisy  
and I know that I don't ever want to go  
everything's all right  
and I know that I don't ever wanna go  
everything's all right

Zap  
I quit  
I've shown a lot of grit  
with nothing left to prove.  
Left alone  
the seed of fear is shown  
for what they said is true.

Stand in the spotlight  
waving a flag of secrecy  
exposing your hypocrisy  
and I know that I don't ever want to go  
everything is all right  
and I know I don't ever wanna go  
everything is all right  
everything is all right  
everything is all right
