

You gotta be kidding me
I'm through with you girl anyway
I'll wait for you I always do
It's dumb but I want to anyway

So here we are stuck in hell
Same old game we know it well
I don't mind anyway
Spark it up and numb me on and off again
Oh what the hell
I don't mind anyway

Been sittin' here have another beer
I'm drunk but I want some anyway
I just don't care enough about you
So fuck you anyway

So here we are stuck in hell
Same old game we know it well
I don't mind anyway
Spark it up and numb me on and off again
Oh what the hell
I don't mind anyway

You gotta be kidding me
I'm through with you girl anyway
Too numb to know that I'm happy
Without you I'm better off anyway

I just don't care enough about this to make the effort to show
you
That I care enough to try to get you back in bed with me

So here we are stuck in hell
Same old game we know it well
I don't mind anyway
Spark it up and numb me on and off again
Oh what the hell
I don't mind anyway
