Switcheroo

Dynamite Hack

I keep to myself like nobody else
Like no one else I know
No one to write, nobody to call,
Like nobody at all
That I can say is it's
Breaking at the seams
That I never thought would split
That's just it, That's just it!!!!!!!

You do the same thing
To someone else
That they done to you,
Switcheroo, Switcheroo
You do the same to the radio,
The radio is new
The same one I know, say one and go,
The same one I know, say one and go
Hit the high note running,
The high note running

I never knew what you had said
Two in the fist, Three in the head

Check it out man
Check it check it out check it
